

# MORNING APPEAL

THURSDAY.....MAY 2

## SPRING FIGHTS.

The regular Spring fights over advertising space in the APPEAL have begun.

Each patron wants a nice, steady position at the top of the column and next to reading matter. Last month we decided to rotate the ads., so as to give each man a chance, and as a result, Kelly the grocer and Abe Cohn don't speak as they pass by, and a coldness has sprung up between the heretofore amicable families of E. B. Rail and Geo. T. Davis.

Leslie Bell and Geo. Hark glare at each other in the streets, and the Hofer Bros. refuse to pass the time of day with the Olcovich's.

M. Cohn used to have the largest space in the paper, but since Sweeney the horse-breeder took up a much larger space for Gibraltar, Cohn is green with envy.

We dislike to see such a feeling between neighbors in a small town and advise a more peaceful and quiet way of managing things.

Of course the space that the parties are squabbling over is quite valuable, but it ought not to lead to open warfare.

We have decided to rotate advertising and give each man a chance.

There is no cast or local "Four Hundred" business with us. The man who pays his advertising bills regularly and accompanies the payment with a remark to the collector that the space is worth twice the money, can always be assured of good treatment here.

We want these rows quieted down, however, as the city cannot afford to have an extra police force to keep our advertisers quiet.

The first man who strikes a blow will be put on the fourth page among the patent medicine ads. for a month, and kicked out of the paper entirely on repeating the offense. We propose to have peace at any cost.

## PACIFIC COAST ITEMS.

Four fishermen were drowned in the Cascade Falls, Or., Monday.

The Superior Court of Sonoma county has declared the Common Council's action at Santa Rosa in prohibiting the sale of liquors at Kroncke's Park in that city, valid.

William Brennan of Vallejo pursued his wife and William Brown to the station at Burbank, Sunday, emptying his revolver at them, but they escaped on the train, which he could not catch.

County Judge Catlin, at Portland, Or., surprised everybody, Monday, by denying the application of Rufus Ingalls to be appointed guardian of Ben and Linda Holliday, heirs to the Holliday estate. Mrs. Holliday nominated Ingalls as guardian in her will.

A miner named Gus Emberg, from Deadwood, Trinity county, was running around Redding Monday, with a giant powder bomb and a belt of sticks of the same explosive seeking imaginary foes whom he wished to blow up. He was committed to the Insane Asylum.

The shooting of Mat Fiegle last Sunday, near Woodland, and which Will Wahlstrom claims to have done in self-defence, is creating considerable excitement at Woodland, as the facts in the affair come out. It is now believed that the killing was premeditated and a man named Dan Bemmerly is connected with Wahlstrom in the crime. The dying statement of Fiegle fixes the shooting upon Wahlstrom.

Two seminary girls rode out from San Francisco the other day to a popular wayside resort and took a little wine, and the San Francisco papers are making a sensation of it. Queer to make all this fuss just because the girls came from Reno.

Speaking of Patrick Egan's appointment as Minister to Chili the Pall Mall Gazette says: "What if he had been sent to the Court of St. James? It would not have been the first time that an Irishman exile from his own country by English laws, had come to London as the representative of a foreign Power."

A telegram from Washington states that yesterday "President Harrison was unable to get out at all, owing to the steady precipitation of moisture which has prevailed all day." This is not only an excellent example of "English as she is taught" in the public schools but of good judgement sometimes exercised in telegraphing the news. See how much prettier the above sentence is than if it had read thus: "President Harrison did not go out because it rained all day." Twenty-one words in one sentence, eleven words in the other; one hundred and one letters in one sentence, forty-nine in the other. Yet the longer sentence tells no more than the shorter.—Daily Report.

The wires are already being laid by aspirants for State offices for the convention two years hence.

## TRIUMPH.

TRIUMPH is a beautiful bay; stands 15.3 and weighs over 1,200 and is the finest looking man ever saw. He took the first premium for 3-year-old Stallions at the State Fair of 1888. TRIUMPH will make the Season the same as Gibraltar and Alpha. Terms, \$20 for the season; \$80 to insure.

## PEDIGREE.

Triumph by Prompter, Prompter by Wilson's Blue Bull, the sire of more horses with records from 2 15 to 2 30 than any horse that ever lived. McL. E. Clement, Secretary of the Missouri Trotting and Racing Horse Breeder Association in writing to Dr. Hicks, of Sacramento, owner of Prompter, says that he would rather breed to Prompter than any Stallion that is alive to-day. Triumph's dam is the celebrated St. Clair mare, Lady Brighton, owned by Mr. M. Toomy of Sacramento. His dam is now over 20 years old and can trot in 2 40 any day in the week. Senator Stanford in his catalogue of 1887 was breeding to 26 St. Clair brood mares and the most of his horses that have made the best records for 2-3 and year-olds are out of St. Clair mares, namely: Fred Crocker-dam by St. Clair, two year old record 2 25 1/2; Bonito, dam by St. Clair, 2 year old record 2 24 1/2, 3 year old record 2 18 1/2; Manzanita, dam by St. Clair, 4 year old record 2 16 fastest on record.

I have got 400 acres of pasture land enclosed and mares sent in care of me on the cars will be taken to the Ranch and bred and good care taken of them. Pasture, Two dollars per month, or will keep them up for \$20 per month as I have over 100 fine box stalls. Accidents and escapes at owner's risk. There is a fine race track on the Ranch and I will take horses to train or colts to break at reasonable rates. I also have a few Gibraltar colts to sell. If you want a good colt can sell you one cheap. Positively no shooting allowed on the premises.

JOHN P. SWEENEY. Prop'r,
